AMENDMENT UNDER 37 CFR §1.111

Sir/Madam:

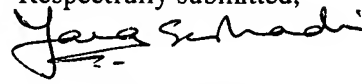

This paper is filed in response to the Office Action dated 16 May 2006, for the above-identified case. This paper is being filed within the one-month period set for response, 16 June, 2006. No fee is therefore required.

The Office Action notes that the amendment filed by Applicant on 12 March, 2006, is considered to be non-compliant because the amendment to the claims does not contain a proper status identifier for each individual claim and is therefore non-compliant under 37 CFR 1.121. Claims 1, 2, 3, 4, 5 and 7 do not recite a claim status identifier, which is improper.

Claims 1, 2, 3, 4, 5 and 7 were not amended in the Reply filed 12 March, 2006. Applicant has inserted the claim status identifier for Claims 1, 2, 3, 4, 5 and 7 of "original".

A complete listing of claim begins on page 3 of this paper.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Tara Seshadri". The signature is fluid and cursive, with a horizontal line underlining the first part of the name.
